

Side A

Om Nama Shiva. (3x's)
Shiva Om Nama.

Help me to love with open arms like You do.
A Love that erases all the lines and sees the truth.
So that when they look in my eyes they would see You.
Even in just my smile, they would feel Your Love.

Let me do Thy will oh Lord, Allah, Allah
Let me do Thy will oh Lord, Allah, Allah (2x's)
Ya Shafee, Ya Kafee
Ya Shafee, Ya Kafee

Great Wave, wipe away, wipe away my false face.
Awaken from my sleep, O radiant light.
Touch me, touch me.
I am once again, beyond the beyond.
I am that I am.

Make me a channel of Your peace,
Where there is hatred let me bring Your love.
Where there is injury Your pardon Lord,
And where there's doubt true faith in You.
Make me a channel of Your peace,
Where there's despair in life let me bring hope.
Where there is darkness, only light,
And where there's sadness ever joy
Oh Master grant that I may never seek,
So much to be consoled as to console,
To be understood as to understand,
To be loved as to love with all my soul.
Make me a channel of Your peace,
It is in pardoning that we are pardoned,
In giving of ourselves that we receive,
And in dying that we're born to eternal life.

Teach us to remember,
and to Thy grace surrender (2x).
Show Lord the way of Love,
show Lord the way of Light.
Show Lord the way of Truth,
show Lord the way of Life.

You, who are the Source, of all Power,
Whose Rays, illuminate all the world.
Illuminate also my Heart,
So that It too can do, Your Work.
So that It too can do , Your Work.

Let the beauty we love, be what we do.
There are hundreds of ways,
To kneel and kiss the ground.

We let, the love, wash over us.
We let, we let, it be.

I am remembering who I am
